

## NIOSH Mining Mailing List

NIOSH Mining regularly distributes copies of NIOSH mining safety and health research publications. If you are interested in being added to our mailing list, making corrections, or removing your name, please print and send this completed form by fax to 412-386-6780 or by mail to Patty Lenart, NIOSH Pittsburgh Research Laboratory, P.O. Box 18070, Cochrans Mill Rd., Pittsburgh, PA 15236.

Complete and submit this form by one of the methods listed above to be included in the  
**NIOSH Mining Safety and Health Research Mailing List**

### Your name and address:

Name*:	_____
Job Title:	_____
Organization:	_____
Address*:	_____
City*:	_____
State*:	_____
Zip*:	_____
Country*:	_____
E-mail:	_____
Fax:	_____

\*Required information!

### What would you like done:

<input type="checkbox"/>	<b>Add</b> me to the mailing list.
<input type="checkbox"/>	<b>Correct</b> my information.
<input type="checkbox"/>	<b>Remove</b> me from the mailing list.

**Indicate your primary area(s) of interest:**

Underground		Surface		Plants/Mills	
<input type="checkbox"/> Coal	<input type="checkbox"/> Nonmetal	<input type="checkbox"/> Coal	<input type="checkbox"/> Stone	<input type="checkbox"/> Coal	<input type="checkbox"/> Stone
<input type="checkbox"/> Metal	<input type="checkbox"/> Stone	<input type="checkbox"/> Metal	<input type="checkbox"/> Sand and Gravel	<input type="checkbox"/> Metal	<input type="checkbox"/> Sand and Gravel
		<input type="checkbox"/> Nonmetal		<input type="checkbox"/> Nonmetal	

**Indicate the publication type(s) you are interested in:**

<input type="checkbox"/> <b>Technology News:</b> <i>Technology News</i> is a one-page fact sheet used to announce a milestone in NIOSH mining safety and health research, technology ready for transfer to industry, or an opportunity for cooperative research and development.
<input type="checkbox"/> <b>Reports of Investigations (RIs):</b> <i>RIs</i> present results of significant NIOSH mining safety and health research. They describe individual studies and include the objective of the research, the materials and techniques used, and the results of tests or experiments.
<input type="checkbox"/> <b>Information Circulars (ICs):</b> <i>ICs</i> present compilations of historical and statistical data, summaries of scientific and technical meetings and symposia, and descriptions of new instrumentation and techniques.
<input type="checkbox"/> <b>Mining Health and Safety Focus:</b> <i>Mining Health and Safety Focus</i> is a publication issued periodically on different topics to appraise readers of tangible research results and to expedite the transfer of new technologies.
<input type="checkbox"/> <b>Compendium of NIOSH Mining Research:</b> The <i>Compendium of NIOSH Mining Research</i> provides brief description of the NIOSH projects dedicated to the primary mission of reducing miners' occupational injury and illness.
